Multiplier Event Evaluation

Before the event

The assessment before the event was very positive by the majority.

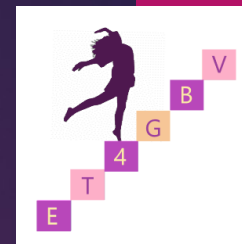

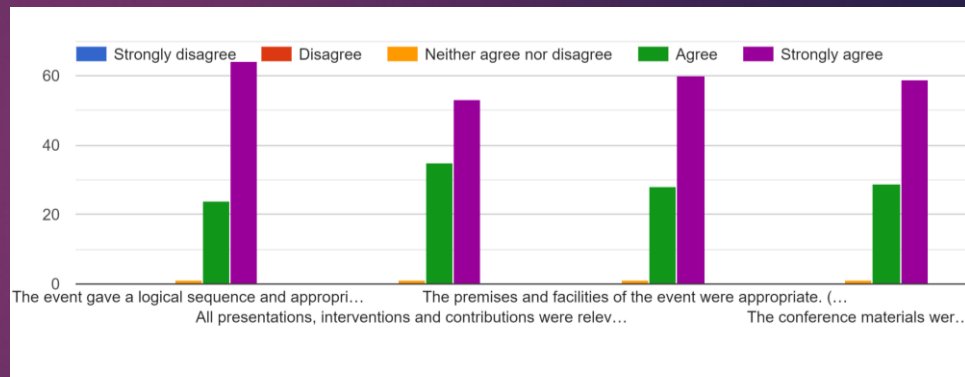

Co-funded by
the European Union

Multiplier Event Evaluation

The event

1. The event gave a logical sequence and appropriate time to all participants' contributions.
2. All presentations, interventions and contributions were relevant and in line with the objectives of the event.
3. The premises and facilities of the event were appropriate.
4. The conference materials were relevant and informative.

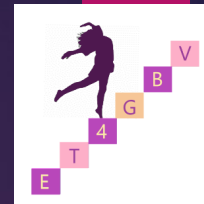

The four points were mostly quite favorable, the second point is a little below average, but generally very well valued.

Eventos multiplicadores de nuestro proyecto #erasmus ET4GVB

Realizados con éxito los 3 eventos multiplicadores del proyecto en cada país

Con la asistencia de cerca de 100 profesionales, en total, en los tres eventos. Mayoritariamente de estos perfiles: profesionales de Gerentes y profesionales de empresas, profesores, un número importante de representantes de la administración pública y autónomos.

Han puntuado muy positivamente la utilidad de las tres herramientas presentadas, especialmente de la guía para empresa.
